

In an ongoing effort to monitor the COVID19 outbreak we are taking some precautionary measures. The safety of our members and staff is our highest priority, and with that in mind we are taking the following steps to avoid unnecessary risks:

- All scheduled meetings for March have been postponed. We will update you with the new dates as the situation progresses.
- To avoid unnecessary staff contact and traffic through the building we are asking that members call any requests to the office.
- Scheduled board and committee meetings will be held via conference call until further notice.

Please check the NIBCA website for information.

We are not looking to perpetuate the mass hysteria or insinuate that there are any immediate problems in our industry – we are just exercising caution until we have a better understanding of the situation. All of you are pillars of the community and we thank you for everything you do.

Stay safe, wash your hands, and continue to treat each other right. Please watch out for your elderly friends and neighbors.

Thank you,

Scot Haug
2020 NIBCA President
