What Is the Political Action Committee - PAC

The NIBCA maintains an active role in city, state and federal politics. The North Idaho Builders Political Action Committee (or NIB-PAC) is NAHB's equivalent of BUILD-PAC, and at the state level - HOMEPAAC. NIB-PAC interviews candidates running for office and supports those it feels will be most supportive of the home-building industry. Because NIB-PAC funding is contingent on voluntary and separate donations, the NIBCA encourages each member to donate \$25.00 or more to this very important cause.

Of your \$25.00 donation, the greater percentage remains here at home with the reminder sent to the state Political Action Committee, HOMEPAAC.

TOP 8 REASONS TO JOIN

1. It's the collective voice of our industry! Regulatory activities & changes routinely challenge homebuilders' businesses & ability to provide affordable housing for homebuyers. A key component to membership is the commitment to defend the homebuilding industry against harm.

2. Three-for-one membership! When you join the NIBCA, you're automatically a member of the Idaho Building Contractors Association (IBCA) and the National Association of Home Builders (NAHB). That means there are three organizations who keep your wellbeing top of mind, are always quick to support your business, & defend it from harmful regulatory or legislative changes.

3. Keep up to date with vital information! The best way for you to stay competitive is to be well informed. Members keep up with industry changes, from technological innovations to code changes and leading edge marketing strategies through websites (NIBCA.com, IBCA.org, & NAHB.org), seminars, committees, and reports.

4. Build valuable relationships! From big events, such as the Home & Garden Show and Parade of Homes Show, to smaller ones, including BBQ's and breakfasts; NIBCA offers you a wide range of networking opportunities to build strong, long-lasting relationships.

5. Get recognized by your peers! In any industry, recognition and acknowledgement by peers is one of the highest forms of praise. At NIBCA, you will receive the recognition you deserve, that helps you stand out for your notable accomplishments.

6. Cash in on discount programs! Through the NIBCA, IBCA, & NAHB, take advantage of deep discounts on services vital to running your business. These member-only discounts range from large cash allowances toward vehicle purchases, to 5% off Lowe's purchases, & more.

7. Give back - and feel good about doing it! If you've ever volunteered on a home builders project or committee, you know just how good it feels to be a part of something for someone who really appreciates what you do. Volunteering and helping others can help reduce stress, keep you mentally stimulated, & provide a sense of purpose.

8. Become an industry leader! When you serve on a committee you have the chance to grow your leadership skills. Your membership provides plenty of opportunities to serve, boosting your visibility within the industry.
